

Origami 'power to connect' butterfly

Organiser notes

You can use the origami butterfly to:

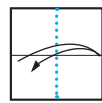

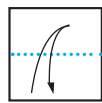

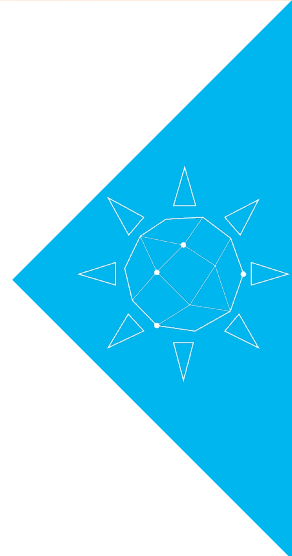

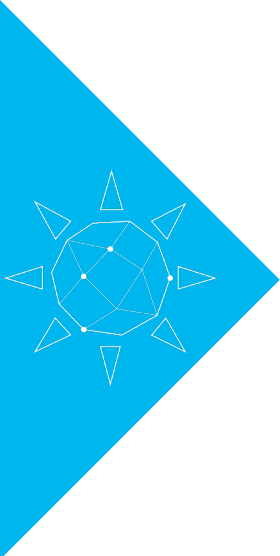

- **promote Learning at Work Week - use it as a 'desk drop' and write your messages in the triangles of dotted lines**
- **collect feedback from your Learning at Work Week sessions - ask colleagues to write their thoughts on the back of the sheet or in the triangles of dotted lines**
- **collect colleagues' thoughts on learning they'd like to do - ask colleagues to write their thoughts on the back of the sheet or in the triangles of dotted lines**
- **create a display of folded butterflies to mark your activities during the week**

Printing instructions

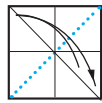

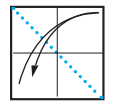

The origami sheets should be printed off on A4 paper with the setting 'Fit to printable area'.

The sheets can be printed in colour or black & white.

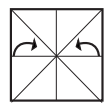

You can print off all sheets for a mix, or one of the sheets if you'd like all the butterflies to look the same.

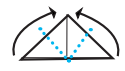

Blue triangles at top, fold, crease and unfold the square in half along dotted lines.

Turnover to plain side. Fold, crease and unfold paper diagonally on dotted lines.

Fold the paper's sides into the centre to form triangle shape and press.

With the triangle base at bottom, fold each corner on front layer to top and press.

Turnover.

Fold up along dotted line.

Fold top layer of paper over.

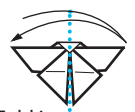

Turnover.

Pull top layer out and down.

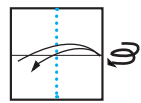

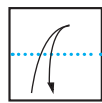

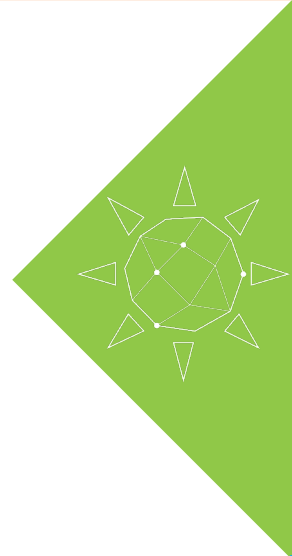

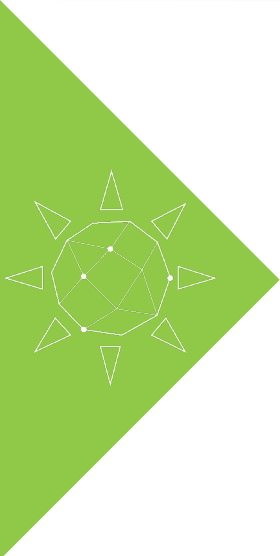

Turnover.

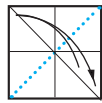

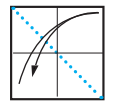

Fold in half along dotted line, press, and release your butterfly.
